Activity Objectives:

Following participation at this session, the attendees will be able to:

Overview of Advanced Pharmacy Practice Experience/Introductory Pharmacy Practice Experiences

Describe ACPE standards for introductory (IPPE) and advanced (APPE) pharmacy practice experiences • Understand differences between IPPE and APPE rotations • Identify ACPE required APPE patient care focus and settings

Rotation Orientation and Activities

Understand the importance of a student orientation • Understand the value of regular evaluation of students • Be able to think of ways to incorporate students into the preceptor's daily activities

Managing and Evaluating Students

Review and apply evaluation and assessment methods • Describe methods for managing difficult students • Discuss "sticky situations" that may arise through the use of role playing and audience feedback

Continuing Education:

Massachusetts College of Pharmacy & Health Sciences is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. MCPHS designates this educational activity for 3 contact hours (0.3 CEU). Signature sheet and evaluation forms must be completed in order to receive continuing education credit. This is an application based activity. **ACPE UANs:** 0026-9999-09-047-L04-P; 0026-9999-09-048-L04-P; 0026-9999-09-049-L04-P; Statement of credit will be mailed to participants within 4 weeks. All participants will have the opportunity to evaluate the speakers and to identify future educational needs. IN accordance with the Criteria for Quality and Interpretative Guidelines of the ACPE, MCPHS will disclose any interest or affiliation a speaker may have with a supporting commercial organization, and also identify any discussion of unlabeled/investigational of a commercial product. Such disclosure will be made available on the day of the activity.

Co-sponsored by MCPHS Office of Experiential Education,
NH Society of Health-system Pharmacists & the NH Pharmacist Association
