

## **NABP e-PROFILE ID NUMBER:**

Once you complete the C.E. Credit Page on our Website, Your CE credits will be submitted electronically to the NABP. **Pharmacists** or **pharmacy technicians** with questions regarding their NABP e-Profile or CPE Monitor should refer to the FAQ section on the NABP website: <https://nabp.pharmacy/cpe-monitor-service/cpe-monitor-faqs/> . To receive credit for your participation in this activity, all pharmacists must include their NABP e-Profile ID number, along with their date of birth. **Do not submit your state registration number/certification number!** If incorrect information is provided, this will result in a “rejected” status from the CPE Monitor. It is the responsibility of each participant to notify NHPA/UNE of their corrected information (**within the 60-day submission timeframe**). This is especially true for new contact information such as email addresses. UNE communicates to participants via email only. Otherwise, the completed CE will not be accepted by the CPE Monitor.

It is recommended that you check your NABP CPE Monitor e-profile database **30-days** after the completion of any CE activity to ensure that your credits are posted.

If you do not possess an NABP number and need assistance, please see any of the NHPA Board Directors during the breaks.

Thanking you all in advance for your cooperation.
