You're invited to our activity:

Stigma, Opioids and Pharmacists Responsibility

UAN: 0159-0000-21-031-L08-P/T

AmeriHealth Caritas New Hampshire invites your pharmacy staff to join us for a 2 (0.20) CEU Program webinar. The presentation will review the current state of the opioid epidemic in New Hampshire and discuss language and behaviors associated with stereotyping and stigma in patients with opioid use disorder. The session will also present several strategies for the pharmacist change language and behavior to better serve their patient population.

Date: Wednesday, April 28, 2021

Time: 6:00 PM to 8:00 PM – CEU Program

Location: Remote via Zoom webinar. All registrants will receive a link 24-hours prior to the webinar.

CEU Program Presented By: Andrew Peterson, PharmD, PhD, FCPP, Executive Director, Substance Use Disorders Institute, University of the Sciences Philadelphia

Pharmacist and Pharmacy Technician Learning Objectives:

At the completion of this activity, participants will be able to:

- Describe the scope of the opioid crisis in NH
- Describe the continuum of substance use disorders, particularly opioid use disorder (OUD)
- Explain how language influences the stigma associated with OUD
- Learn non-stigmatizing terms to help support persons in recovery
- Define harm reduction and list existing harm reduction strategies used to combat the opioid crisis
- Explain how pharmacists can help combat the opioid crisis using harm reduction strategies and supporting medication assisted recovery

Target Audience: Pharmacists and Pharmacy Technicians interested in providing enhanced patient care services.

CEU: Each attendee who participates by attending, signing in and completing the required course and paperwork will receive (2) CEUs. In order to receive CE credit for the course, you must complete an evaluation within 1 week with a deadline of May 5th. Information on obtaining the CEUs through Pennsylvania Pharmacists Association will be provided at end of session. This is a knowledge based activity.
